SHIPPING INFORMATION

1. Harbor Freight Tools cannot ship to APO or FPO addresses due to postal regulations.

Guidelines for shipping to P.O. Box addresses:

- Maximum weight for packages shipped within the 48 contiguous states is 8 lbs.
- Maximum weight for packages shipped to AK, HI or GU is 70 lbs.

2. **Orders to Alaska, Hawaii and Guam** are shipped 4th Class Parcel Post. These deliveries will take longer.

3. **Overweight items** shipped via freight are subject to additional charges per overweight item. Customers are responsible for all lift-gate charges when shipped by truck when:

- over 150 lbs. in the contiguous states
- over 70 lbs. outside of the contiguous states

4. **Oversized items** are subject to additional freight charges.

- Girth over 130 inches
Girth = (width + height) x 2 + length
- Example: An item is 15l x 10w x 5h
(10 + 5) * 2 + 15 = 45 Girth

5. **\$6.99 Standard ground flat-rate** shipping includes free handling and insurance.

6. **International Orders:** Currently, we offer shipping to  Canada (excluding Quebec) and  Australia only.

7. For assistance with calculating your shipping charges, call our Sales Team at **1-805-388-3000**, Monday thru Friday, 6am to 4pm (PT).

8. **Restricted items:** Gas powered, explosive, battery operated, or items that contain hazardous materials (e.g. drills, generators, engines, spray paint) cannot be shipped via FedEx Air (Air Express or First Class Parcel Post). Prior to sale, gas powered items are tested for functionality using a small amount of fuel. Residual fuel poses potential risks during air transport and is therefore prohibited due to airline regulations.

9. Any item out of stock and under \$10.00 will be cancelled from your order and will need to be reordered at a later date.

10. Freight charges are subject to change without notice.
