

Utility Trailer Recall – Light Kit Customer Submission Form

In order for us to supply you with the trailer light repair kit for your utility trailer as further described in the “Safety Notice” (linked above on this webpage), you must first review the Safety Notice and confirm whether your Utility Trailer is subject to the recall. The repair kit will include installation instructions to complete the replacement. If it is, please complete this form, save it to your computer and email it to recall@harborfreight.com.

Trailers subject to the Recall (sold between January 2006 and April 2016):
