

**SAFETY NOTICE**  
**LED AND DELUXE INCANDESCENT 12V TRAILER LIGHT KIT**  
**HAUL MASTER ITEMS# 60597, 93861 and 69624**

Haul Master LED Trailer Light Kit, item number 60597, and Haul Master Deluxe 12V Trailer Light Kits, item numbers 93861 and 69624, may fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, and Associated Equipment". Consumers should **STOP USING THESE TRAILER LIGHT KITS IMMEDIATELY**.

If you do not have the original packaging or owner's manual that accompanied the original product and you are not sure whether the trailer light kit that you own is one of the three (3) item numbers listed above, please check to see if there is a sticker affixed to the left-hand side tail light as depicted in the photo below. If you are able to locate the sticker on the left tail light, you will discover the 5-digit item number on that label in the position shown below and therefore determine whether your trailer light kit is one of the three (3) item numbers that are subject to this recall.

**If your left tail light does not have the sticker shown above** and you are unable to determine whether your trailer light kit is subject to this notice, please check to see if the tail lights in your trailer light kit resemble either of the two (2) tail lights portrayed in the photos below.

**LED Light - Has 12 small round circles on lens.**

**Deluxe Incandescent 12V Light - Has one large circle in center.**

If your trailer tail light kit resembles either of the LED or Deluxe Incandescent 12V tail lights in the photos above, or if you have otherwise confirmed that your trailer tail light kit is one of the three (3) item numbers that are subject to this recall, then you qualify to receive certain replacement parts to repair your trailer light kit at no charge to you, by either: (i) providing the required information online as directed at <http://www.harborfreight.com/customer-service-product-support.html#5>, or (ii) contacting Harbor Freight Tools Customer Service by telephone at **(800) 444-3353 (M-F 8:00 am to 4:30 pm)**, or email at [recall@harborfreight.com](mailto:recall@harborfreight.com), and requesting a postcard (postage prepaid) which upon receipt you will complete and return to Harbor Freight in the mail. Within sixty (60) days of receiving your written request for replacement parts, Harbor Freight Tools will send you the replacement parts with applicable installation instructions.

If you have any further questions, please feel free to contact Harbor Freight Tools at the phone number or email address provided above. You may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>, if you believe that Harbor Freight Tools failed to provide you with replacement parts without charge within 60 days from your request.

Thank you for being a Harbor Freight Tools customer. We regret this inconvenience but hope you understand that our concern for your safety is paramount.
