

IMPORTANT SAFETY RECALL

REPLACEMENT TRAILER TIRES AND TIRES SOLD WITH UTILITY TRAILER KITS

Certain Replacement Trailer Tires and Tires sold with Utility Trailer Kits fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 119. These products may not meet the strength requirements for trailer tires and could potentially increase the risk of a crash. You may have a tire that has been recalled.

The affected Replacement Trailer Tires and Tires sold with Utility Trailer Kits were sold between January 2014 and September 2017 and are only for the tire manufacturers identified below:

If you purchased a trailer or replacement tire during this time period, you should check the sidewall of the tire for the manufacturer name and TIN information (example shown below).

DOT 1MT A1

If you determine you own a tire that is subject to this notice, HFT will replace any of the tires described above with new utility trailer tires of the same size. **Replacement tires for sizes 4.80/4.00 x 12" and 4.80/4.00 x 8" will be available in HFT stores beginning December 13, 2017. Replacement tires for size 5.3 x 12" will be available in HFT stores beginning January 3, 2018.**

You will need to remove the affected tires from your trailer. Bring the **tire/wheel assembly** to an HFT store for replacement. You will then need to install the replacement tire/wheel assembly on your trailer.

You may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>, if you believe that HFT failed to remedy the issue described above without charge and within 60 days of the date of this notice.

Thank you for being a Harbor Freight Tools customer. We regret this inconvenience but hope you understand that our concern for your safety is paramount.
